TESTIMONY:

I (Anthony Bailey) Called the elections division on August 25, 2004 to discuss filing requirements. BASED THAT Discussion, THIS SEPTEMBER supplemental report was not necessary to be filed. The next report due was for period of 11/23/04 to 8/31/05.

Once this issue came to light. I had a discussion with JOSIE M. at the elections division. She thought where the confusion originated is that Matt Shirtcliff was elected in the primary running unopposed.

We failed to file the required report due to information obtained from the elections division. Therefore, we respectfully request a waiver of the violation be entered into the record.
