Subject: Proposed Civil Penalties

Ms. Ferry and Ms. Flowers:

I am writing regarding the five notices of proposed civil penalty for alleged C&E reporting errors, which I received on September 1.

For Case # I8232, although I have no recollection of the details of that 2003 report, I am sending a check for $30 which should resolve that case.

For Cases # L7950, L8092, L8162, and L8163, I would like to request a hearing and personally appear at that hearing. Please reply to this message or contact Annette Rose in my legislative office (6-1440) to let me know what further I need to do to arrange such a hearing. Thanks very much.
