I was very surprised when I received the late letter of December 8, 2006, which had a cut off time of 5:00 P.M. We had conscientiously faxed this report prior to 5:00 P.M., but I guess it didn't go through until late. I previously worked for three State Agencies: Mental Health, OSU Experiment Station in Hood River and Oregon Health Sciences University, and we had submission deadlines but it was at midnight of the date.
