TESTIMONY:

To whom it may concern:

On Dec. 6th we submitted our Post-Election Report and included 3 contributions which inadvertently used the dates the 3 in-kind donations were supposedly made by the PAC's instead of the day that we actually became aware and received notice that these donations were made.

It would not have been possible for the Committee to actually be aware of the dates the donations were made until the groups who made the payments alerted us which is signified by the date of the memo informing us of the specifics of the in-kind donations.

We have since amended the Post-election report to the correct dates for the donations which is the day we actually received notice of them versus when they were apparently made.

We hope this resolves the concern about the items needing to have been listed on an earlier report, which due to the incorrect date assignment made it appear that we knew of the donations weeks before we actually got the memo which first made us aware of them.

Copies of the Amendment and the original memos from our files are attached.

SECRETARY OF STATE

Dear Representative Clem:

This letter constitutes a Notice of Proposed Civil Penalty. Please read the information below carefully and contact our office if you have any questions about its contents or necessary actions on your part.

Reason for Notice:

This notice is being sent to you as a result of your failure to file a complete second supplement to the second pre-election contribution and expenditure report (see ORS 260.068). This report, which discloses aggregate contributions of more than $500 from a single source and aggregate expenditures of more than $1,000 to a single payee between October 23 and November 2, 2006, was due in the office of the Secretary of State, Elections Division, not later than 5:00 pm, November 3, 2006.

The committee submitted a timely second supplement to the second pre-election report on November 3, 2006; however, three additional in-kind contributions should have been included on the report. The contributions that were required to be included on the second supplement to the second pre-election report ($5,345.22 and $3,881.88 from Future PAC House Builders on October 31, 2006, and $100.00 from Oregon League of Conservation Voters on November 1, 2006) were first disclosed on your post-election report filed on December 6, 2006. This portion of the second supplement to the second pre-election report is considered filed on December 6, 2006, making it 21 business days late.

Authority for Civil Penalty:

The Secretary of State has the authority to impose civil penalties in accordance with ORS 260.232 and has adopted the *2006 Campaign Finance Manual* by administrative rule. The penalty is imposed against the candidate and the treasurer of record at the time of the violation.
