Re: Case Number L-7998

Ms. Ferry:

Following your instructions from our telephone conversation of February 25, 2005:

**It is my understanding the Secretary will not reconsider the assertion of penalty
under ORS 260.232 as I requested on February 22, 2005.**

Therefore:

**I, Christen M. Brown, request a hearing by an independent hearings officer for
consideration of whether to impose a penalty.**

My intention is to appear personally at this hearing in Salem, Oregon.

**Christen M. Brown
Treasurer**
