Dear Elections Division,

I would like to request a hearing regarding the late filing of my expense report (Case No. L8106). I have already requested a hearing regarding your previous notice of late filing (Case no. L8047). If possible, please allow both cases to be considered at the same hearing. I look forward to learning of the date and time of the hearing. I will be out of the country from March 21 to April 6.

Thank you.
