In response to Notice of Proposed Civil Penalty mailed to Edwards for State Treasurer Committee (#002252) on July 28, 2005, we hereby submit the following notarized written explanation.

As to the three deleted accounts receivable (pledges of cash) totaling \$11,000.00, the Committee removed these three listings in the General 2004 1st Pre-Election report filed on 9/26/04, as they were no longer going to be collected. An amendment to the Primary 2004 Post-Election report was filed on 12/28/04 (three months later) that included these same deletions, as that was their status as of the 12/28 filing date. Although the Elections Division has informed us that it does not track accounts receivable for follow-up, we have been told that this correct information on the amendment was reported in error.

Also, please see the notation attached to the December, 2004 amendment for a detailed explanation of the \$10,000.00 contribution error.

The Committee's understanding is that it will wait for a letter of determination of fines before submitting any payment required by the Secretary of State Elections Division. If you need additional information from this Committee prior to that determination, please let us know.
